The structure inside is that no matter what it is,
the earth, the moon, and the sun are good,
and sooner or later it will be sucked into the black hole.

Design typography

The design of this is free to play with the meaning of this font.

The separation of this font makes him feel like he
can go where he wants to go.

A person with long, dark hair is seen from the back, looking towards a background of out-of-focus lights. The lights are in shades of blue, purple, and white, creating a bokeh effect. The overall mood is contemplative and artistic.
