Software

The 18 The Hell Restaurant

18 is a mobile casual simulation restaurant game. Player can operating their own restaurant in the game. By completed the mission in the island you can unlock more different style islands and restaurant. Both character and environment are used chinese culture of hell.

Software

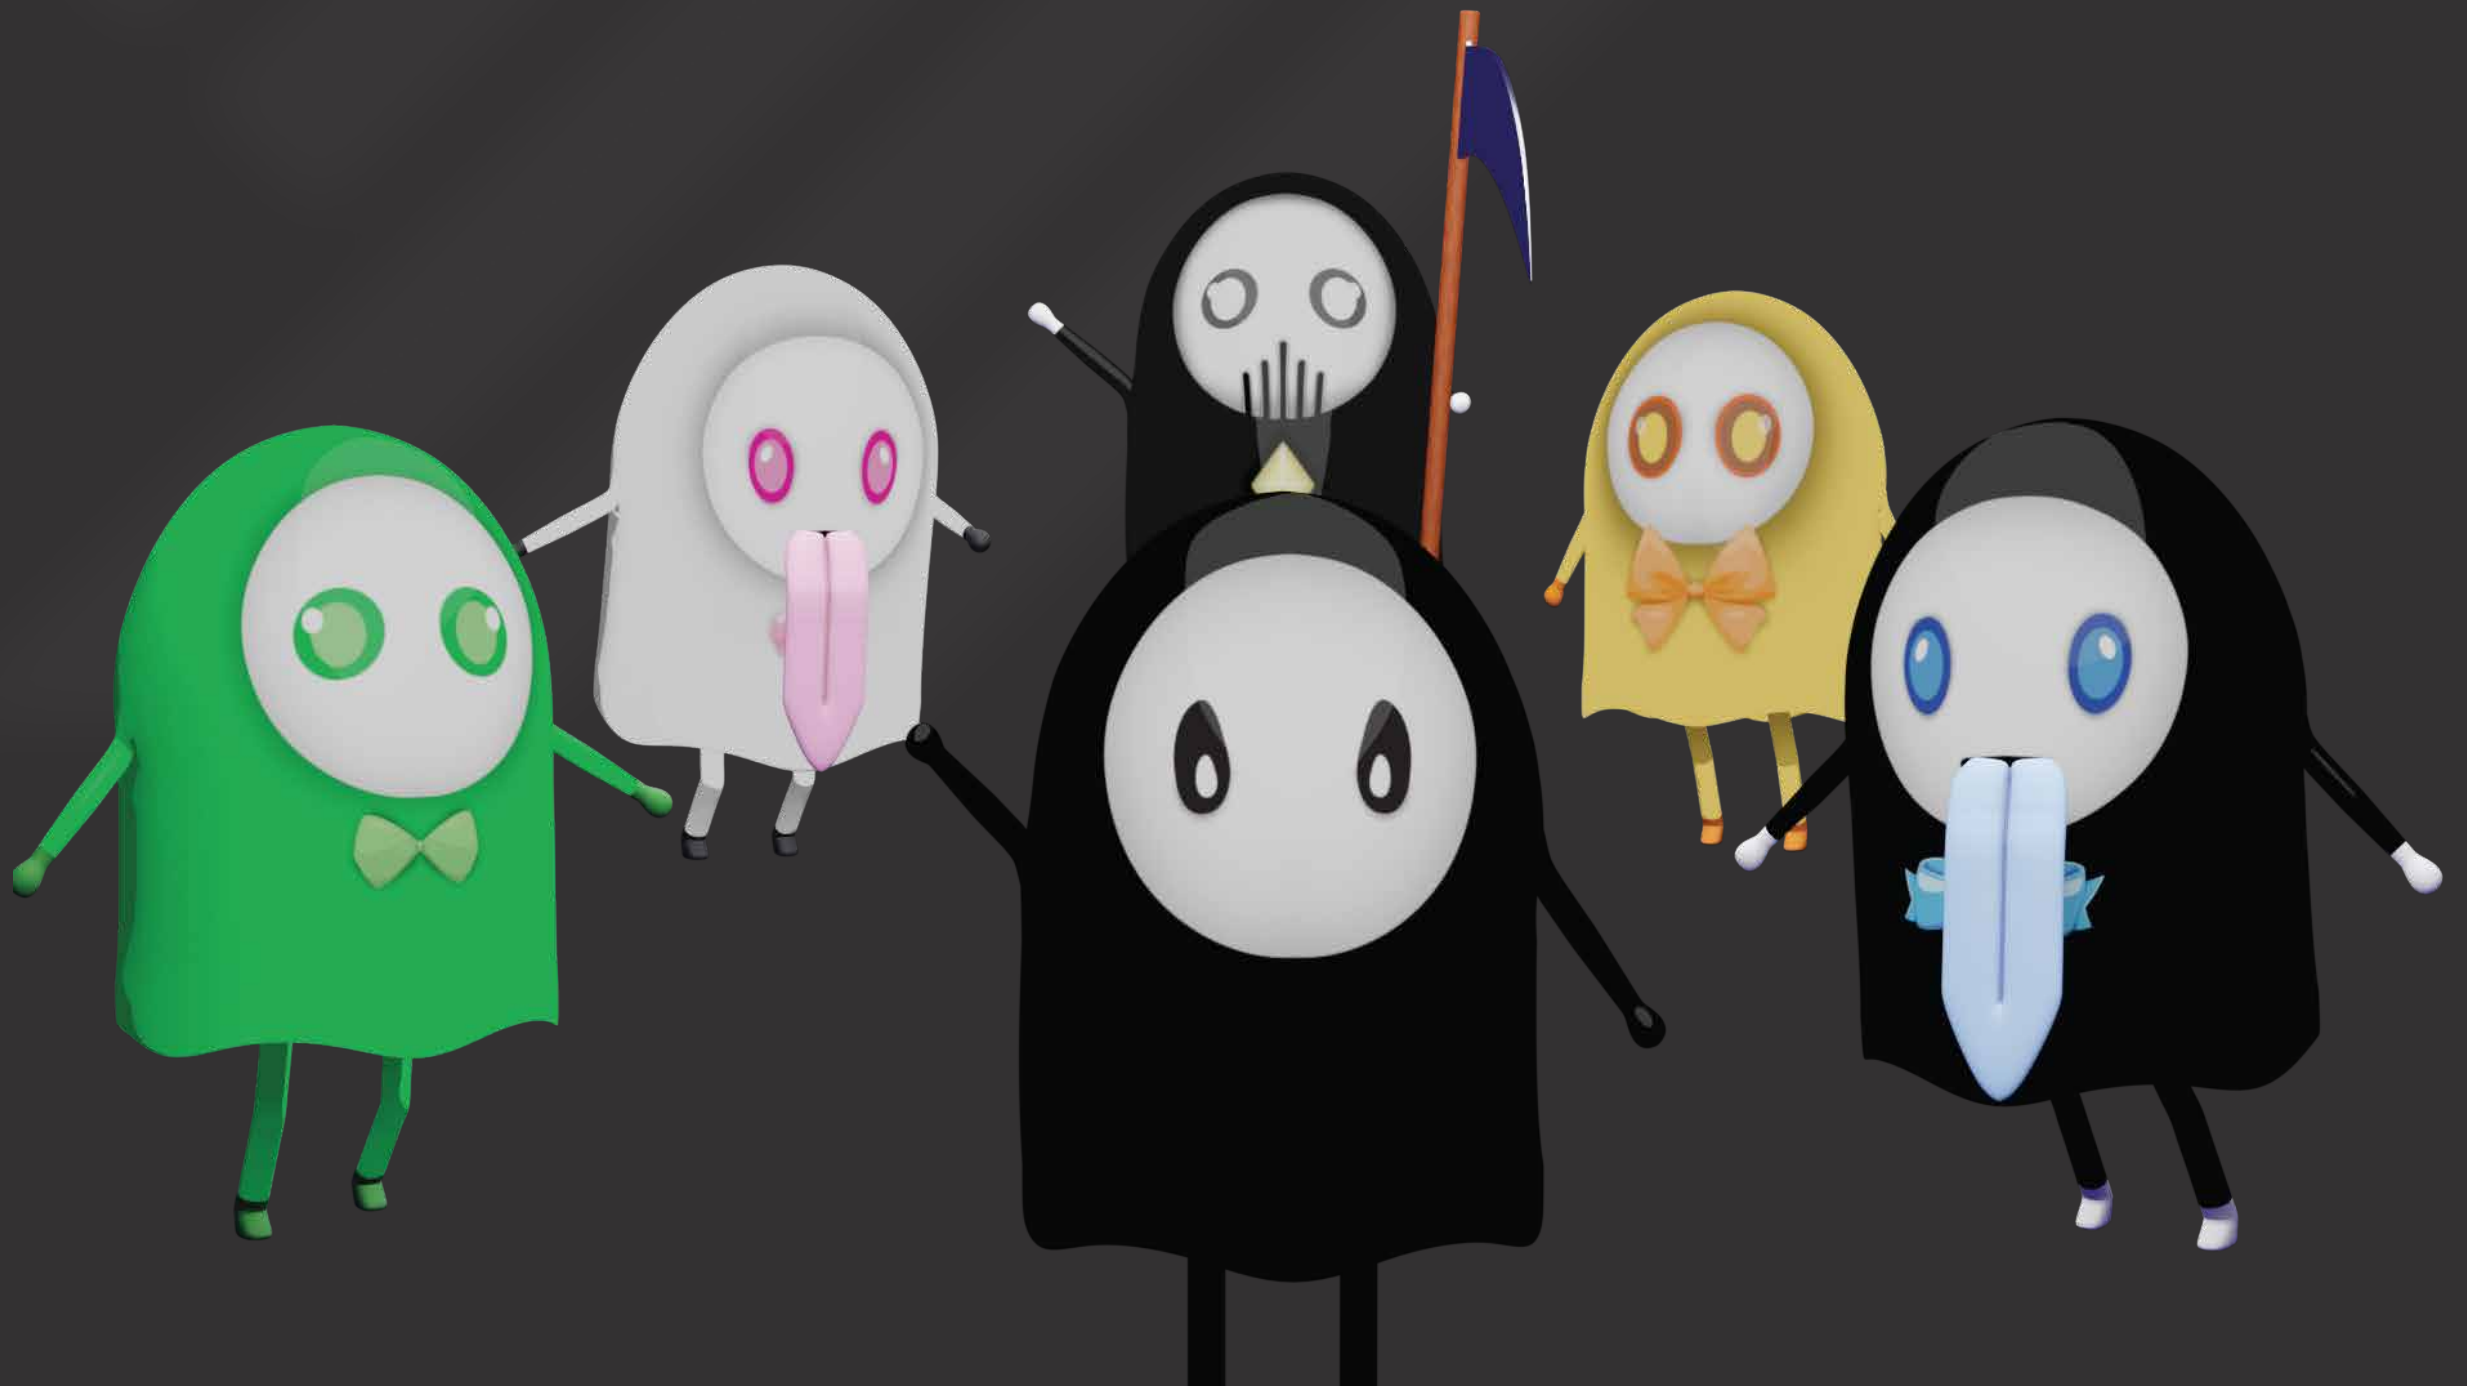

Character

The Chinese Culture of Hell

In the game, i created six character with different story for them. Some of the character concept are came from the chinese culture of hell.

Final Year Project

The Environment 18 Islands

One of the feature is the game had 18 environment. Player can explore different island by up level in the game.

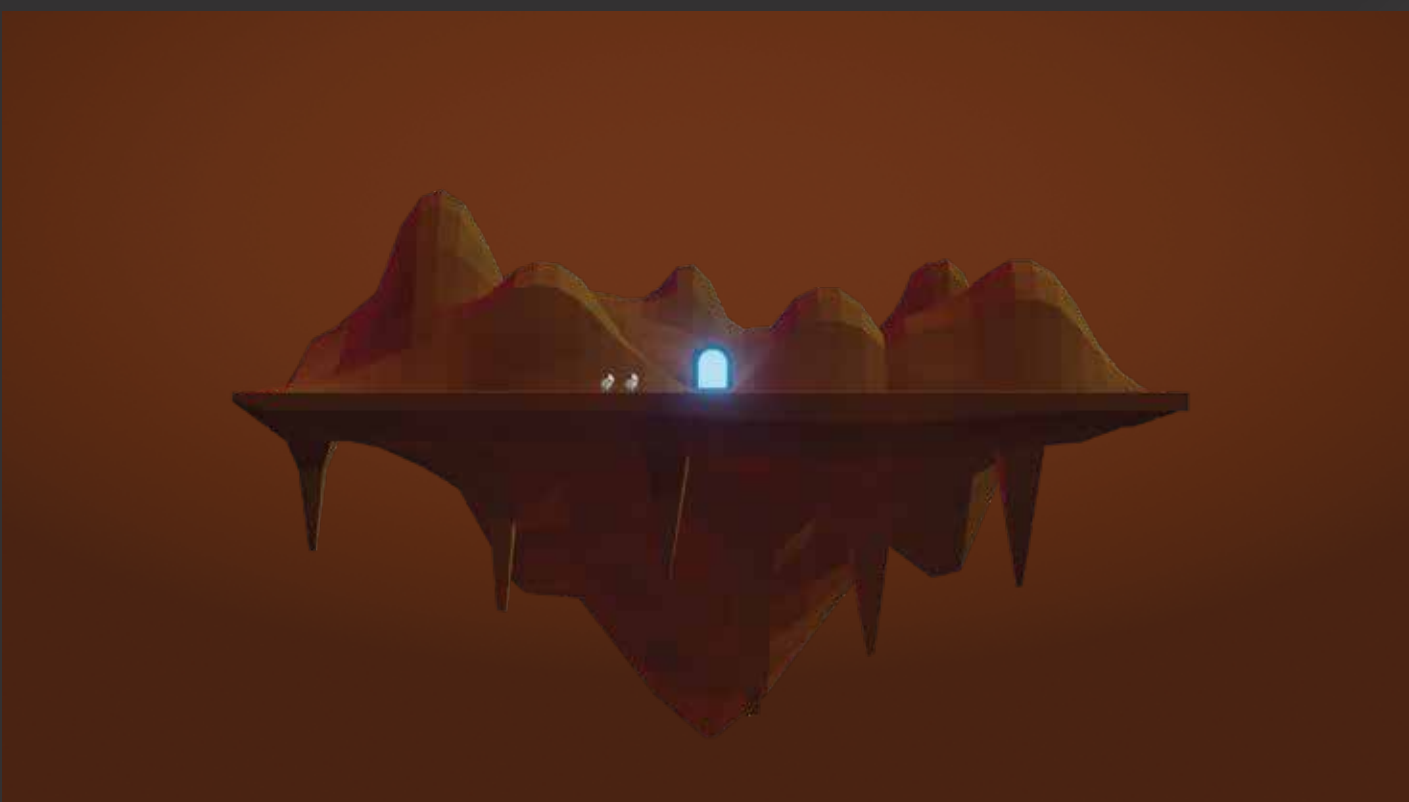

Final Year Project

Iron Tree

Stone Island

Cow Island

Game Interface

The User Interface

The game is create for the mobile.
Used less and simple icon made
player more easy to understand and
touch it.
